

**C23**

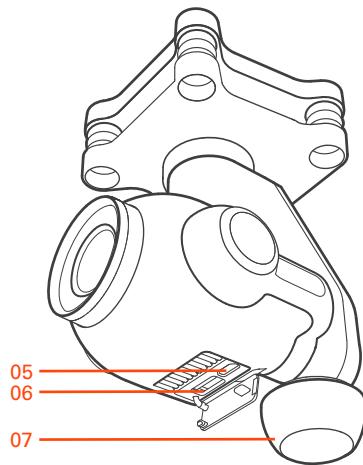

QUICK START GUIDE V1.0

**YUNEEC**

## Introduction and Overview

- 01 Damping Plate
- 02 Camera
- 03 LED Status Indicator
- 04 Camera Lens

- 05 USB Port
- 06 Micro SD Port
- 07 5GHz Antenna

## Specifications

### General

Product Name: 3-Axis Gimbal Camera

Model Name: C23

Dimensions: 4.5x3.1x5.1 inch (115x80x130 mm)

Weight: 12.3 oz (350 g)

### Camera

Equivalent Focal Length: 23 mm f/2.8

FOV: 91°

Image Sensor: CMOS

Size of Image Sensor: 1 inch (13.2x8.8 mm)

Effective Pixels: 20 MP

Operation Modes: Capture, Record

Photo Formats: JPG, DNG+JPG

Video Storage Formats: MP4

Video Resolution:

4K: 4096x2160

H264: 24/25/30/48/50/60p

H265: 24/30p

UHD: 3840x2160

H264: 24/25/30/48/50/60p

H265: 24/30p

2720x1530 24/25/30/48/50/60p

FHD: 1920x1080 24/25/30/48/50/60/120p

HD: 1280x720 24/25/30/48/50/60/120p

Photo Resolution:

3:2 5472x3648

4:3 4864x3648

16:9 5472x3080

Exposure Mode: Auto, Manual

Exposure Values: ±3.0

ISO: 100-6400

Electronic Shutter: 4 s---1/8000 s

Metering Mode: Spot Metering, Center

Metering , Average Metering

Photography Mode: Single, Burst(3/5/7),

Interval(5s,7s,10s,15s,20s), Panorama

White Balance: Auto, Daylight, Cloudy,

Fluorescent, Incandescent, Sunrise/Sunset

### Gimbal

Number of Axis: 3

Control Angle Accuracy: ±0.02°

Maximum Control Range:

Tilt:

-Angle Mode: between 0°and-90°

-Velocity Mode: between +15°and-90°

Pan: 360°limitless

Maximum Control Speed:

Tilt: 30°/s

Pan: 120°/s

Video Transmission Range: 6561.7 ft (2 km)

Transmission System: 5.2 Ghz-5.8 Ghz

## Gimbal Installing

### Assembling

#### Step 1.

Find the arrow printed on the top of the damping plate, which indicates the correct direction for installation.

#### Step 2.

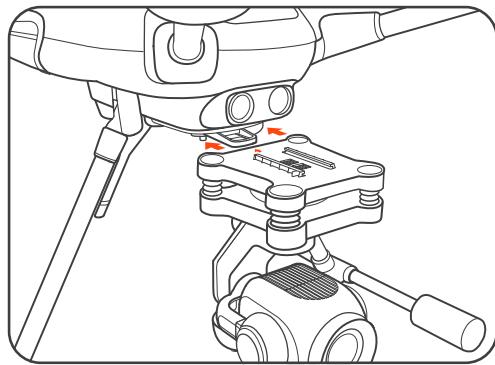

Slide the C23 in the indicated direction all the way into the mounting slot, until the C23 is secured by the locking clip.

#### Step 3.

Remove the lens protector.

#### Step 4.

Insert the Micro SD card.

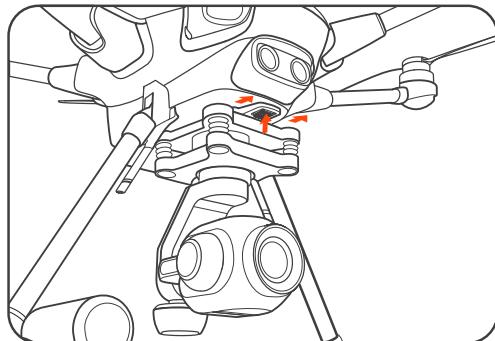

### Disassembling

#### Step 1.

Find the locking clip which is located in front of the mounting slot.

#### Step 2.

Press and hold the locking clip and push the C23 forward (the direction shown by the arrow).

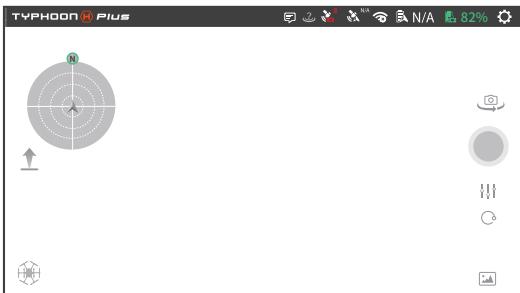

## Binding the C23 and TYPHOON H PLUS

### Step 1.

Switch on the ST16S followed by the TYPHOON H PLUS aircraft.

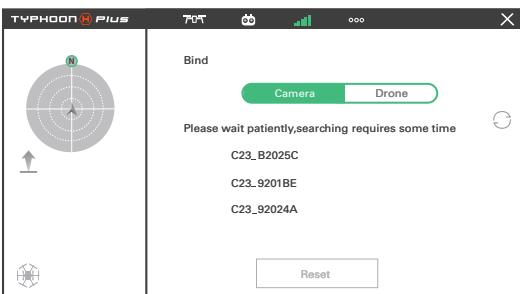

### Step 2.

Tap the [ ] on the top right corner on the main interface of ST16S, then tap the [ ] on the switching interface.

### Step 3.

Tap the serial number of the C23 when the following window pops up. (If multiple Yuneec UAS are used, check the ID number on the side of each camera to assure correct camera selection/bind-ing).

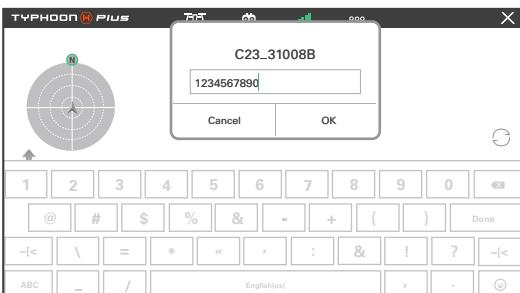

### Step 4.

Using the password "1234567890", authorize the camera and tap "OK" to confirm.

## NOTICE

If the connection process is delayed, close the pop up window and then repeat the above steps.

# Binding the C23 and the TYPHOON H

## NOTICE

Please make sure the System Version of ST16 Ground Station is B31 or above.

### Step 1.

Switch on the ST16 Ground Station first, and then power on the TYPHOON H. Do not touch it until the initialization completes. Wait a few seconds for the gimbal to align and the camera LED status indicator flashing yellow or green.

### Step 2.

After entering the System Settings [gear icon], tap the 'Refresh' on the ST16 screen.

### Step 3.

Select the C23\_XXXXX listed in the column under 'Camera'. Tap 'Bind' then enter the password '1234567890' to connect the Wi-Fi, and then tap 'OK' after the connection has been established.

### Step 4.

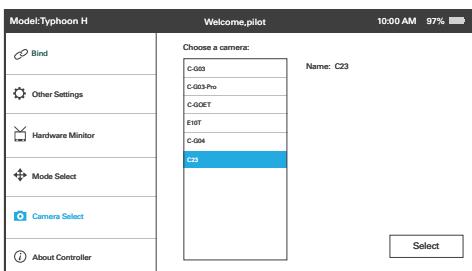

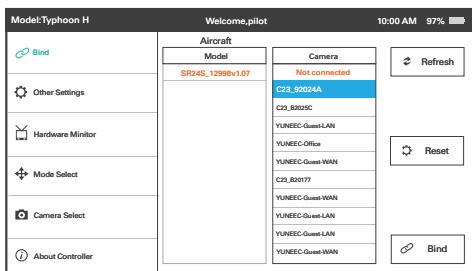

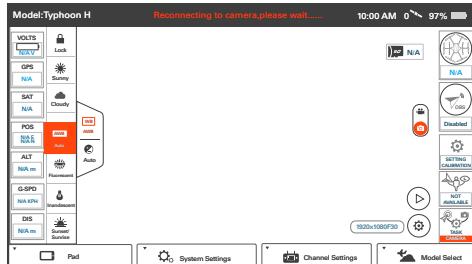

Tap 'Camera Select' on the left column and select C23, and then tap 'OK'. A tip will pop up to indicate the setting is done.

### Step 5.

Tap the 'Back' button to return to the main screen.

## WARNING

For C23 gimbal camera only, please deactivate the IPS (Indoor Positioning System) function by switching off GPS on the screen and control manually when the TYPHOON H with Realsense™ module flies indoor.

## **NOTICE**

- 1 Make sure that the firmware of the gimbal has been updated to the latest version.
- 2 For the latest product information, please check our official website: [www.yuneec.com](http://www.yuneec.com).

## **WARNING**

Do not expose the lens of C23 gimbal camera to extreme light sources!

Do not operate the C23 gimbal camera in the rain or in environments with high humidity!

Do not touch or move the C23 gimbal camera until the initialization process has been completed!

Do not try to repair the C23 gimbal camera by yourself! Repairs must go to an authorized service center.

**The following special terms are used throughout the product literature to indicate various levels of potential harm when operating this product:**

**NOTICE** Procedures, which if not properly followed, create a possibility of property damage and/or little to no possibility of injury.

**CAUTION** Procedures, which if not properly followed, create the probability of property damage and/or a possibility of serious injury.

**WARNING** Procedures, which if not properly followed, create the probability of property damage, collateral damage and/or serious injury or create a high probability of superficial injury.

## **WARNING**

Read the ENTIRE instruction manual to become familiar with the features of the product before operating.

Do not use with incompatible components or alter this product in any way outside of the instructions provided by Yuneec.

Failure to use this product in the intended manner as described in instruction manual can result in damage to the product, property and/or cause serious injury. This product is not a toy!

## **Collection and Processing of Data**

Yuneec may collect navigation information such as GPS data to help improve our products.

We may also collect Depth Map information and Infrared Image information from your drone delivered to our service center for repair and maintenance service or any other service.

We may also collect other information such as device information, server log information, etc. We may also collect personal information used in registration if you choose to become a registered user and any other information user provided to Yuneec. We may also collect information which user send to other users, and the recipients and senders of such information.

We reserve the right to disclose your information if required to do so by law or in the good-faith belief that such disclosure is needed to comply with applicable laws, for example in response to a court order, judicial subpoena, warrant or request from government, or otherwise cooperating with government agencies or law enforcement.

We also reserve the right to disclose your information that we believe in good faith is necessary or appropriate to: (i) protect ourselves or others from fraudulent, unlawful, or abusive activities; (ii) take precautions against potential liability; (iii) protect the security of the Yuneec Apps embedded into or downloaded onto your drone or any associated equipment and services; (iv) protect the legal rights of ourselves or any others.

Any information we collected maybe disclosed or transferred to an acquirer, successor or assignee as part of any potential merger, acquisition, debt financing or other activities that involves transfer of business assets.

We may make the aggregated non-personal information of the users available to third parties for various purposes, including (i) complying with various report obligations; (ii) marketing efforts; (iii) analyzing product safety; (iv) understanding and analyzing our users' interests, habits, usage pattern for certain functionalities, services, content, etc.

## **Disclaimer**

Yuneec International (China) Co., Ltd. cannot be held liable for any damage, injury or for use of the product in violation with legal regulations, especially in the following circumstances: Damage and/or injury as well violation of legal regulations resulting from a failure to comply with the operating instructions or the instructions at [www.yuneec.com](http://www.yuneec.com), product information, user manual and other legally binding information.

Damage and/or injury as well violation of legal regulations brought about by the influence of alcohol, drugs, medication or other narcotics which may impact on the concentration of the user.

The same applies to illnesses effecting the concentration of the user(dizziness, tiredness, nausea etc.) or other Ofactors compromising mental and physical capabilities.

Intentionally caused damage, injury or violation of legal regulations.

Any request for compensation caused by an accident resulting from use of the product.

Damage and/or injury as well as violation of legal regulations caused by use of the product in a no-fly zone, e.g.next to an airfield, above a motorway or a natural conservation area.

Malfunction of the product caused by retrofitting or replacement with components which did not come from Yuneec.

Damage and/or injury caused by the use of replica parts (non-original parts).

Damage and/or injury as well as violation of legal regulations caused by incorrect operation or misjudgement.

Damage and/or injury caused by damaged spare parts or not using original Yuneec spare parts.

Damage and/or injury as well as violation of legal regulations caused by ignoring the low voltage battery warning.

Damage and/or injury as well as violation of legal regulations caused by operating the model in a magnetic field (e.g. high voltage lines, electricity/ transformer stations, radio towers,mobile phone masts etc.) a strong wireless

signal environment, no-fly zones, poor visibility and in the event of vision impairments or other impacts on the pilot which are left unchecked etc.

Damage and/or injury brought about through a violation of the legal regulations for operating the model, in unsuitable weather conditions, e.g. rain, wind, snow, hail, storms, hurricanes etc.

Damage and/or injury as well as violation of legal regulations caused by force majeure, e.g. collision, fire, explosion, flooding, tsunami, landslide, avalanche, earthquake or other forces of nature.

Damage and/or injury as well as violation of legal regulations caused by the illegal or immoral use of the model, e.g. capturing videos or recording data which infringes upon/harms the privacy of other people.

Damage and/or injury as well as violation of legal regulations caused by incorrect use of the batteries, protection systems, chargers or aircraft.

Consequential damage caused by the incorrect operation of any kind of system components and accessory parts, especially memory cards, whereby image or video material from the camera can become defect.

Any non-compliance with legal obligations, personal injury, material damage and environmental damage caused by use and a failure to comply with the local laws and regulations.

Damage and/or injury as well as violation of legal regulations caused by hazardous use without sufficient practical experience.

Damage and/or injury as well as violation of legal regulations caused by flying in legally defined no-fly zones.

Further losses which do not fall within the scope of use defined by Yuneec as improper.

This product is designed for both professional use and personal, private use. The national and international laws and regulations in force as the time of taking off must be adhered to.

## Regulation Information

### FCC Statement

This equipment has been tested and found to comply with the limits for Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

### **RF Exposure Warning**

This equipment must be installed and operated in accordance with provided instructions and the antenna(s) used for this transmitter must be installed to provide a separation distance of at least 20 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter. End-users and installers must be provided with antenna installation instructions and transmitter operating conditions for satisfying RF exposure compliance.

### **IC Radiation Exposure Statement for Canada**

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device. Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment complies with IC RSS-102 radiation exposure limit set forth for an uncontrolled environment. Cet équipement respecte les limites d'exposition aux rayonnements IC définies pour un environnement non contrôlé.

### **NCC Warning Statement**

本產品符合低功率電波輻射性電機管理辦法 第十二條 ~ 第十四條 等條文規定：

\* 經型式認證合格之低功率射頻電機，非經許可，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能。

\* 低功率射頻電機之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。

前項合法通信，指依電信法規定作業之無線電通信。低功率射頻電機須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

### **CE Warning Statement**

This device meets the EU requirements on the limitation of the general public to electromagnetic fields by way of health protection.

EU Operation Frequency (The Maximum Transmitted Power)

5G Wifi: 5560-5580MHz (27dBm), 5680-5700MHz (27dBm)

### **EU Compliance Statement**

Hereby, Yuneec International (China) Co., Ltd. declares that this device is in compliance with the essential requirements and other relevant provisions of the RED Directive 2014/53/EU. The full text of the EU Declaration of Conformity is available at the following internet address: <http://yuneec.de-downloads>.

Please visit the address above and enter into corresponding product page.
